FAO Julie Parry

Hi Julie thank you for your email.

I have now updated the block plan to show the Proposed landscaping as requested and as attached. The stone paving replaces a low-level deck and so only raises the original ground level by approx. 150mm here. The site is on a fairly steep slope so the original ground levels do vary significantly between the front and rear of the house.

Please do feel free to amend the Application description to include the Landscaping if you feel this is required.

Please don't hesitate to come back to me if you have any questions or require any further info.

Kind regards,

Paul Biddle
