Ref No. A07799 – CIL-CONF.

17 Kelvin Close – CIL confirmation of exemption.

We can confirm that the above planning proposal is for a small residential extension which will be a self-build project. The net floor area for the proposal will add significantly less than 100mSq . i.e. the proposals look to add 9.0mSQ of floor area (Net gain) to the existing dwelling,

Yours Sincerely
