

28 South Street,  
Wendover  
Buckinghamshire  
HP22 6EF  
Design Access Statement

The proposal is for an off-street parking bay for one vehicle.  
Materials : Local Pea Gravel.with 6 N0 courses of Granite setts  
on and extending behind the property boundary as indicated  
on the drawings forming part of the planning application package  
A dropped kerb will form part of the application and the footpath  
will be ramped from the kerb up to the property boundary.
