**Notes:-**  
 This plan has been surveyed to the scale shown. Caution should be exercised when enlargements are made.  
 All critical dimensions should be confirmed on site prior to the commencement of any works. All dimensions have been measured or ascertained from the ground.  
 These spaces should be marked with caution and expert identification is advised. Pipe sizes are as indicated from a surface inspection only, due to Health and Safety requirements.  
 Every effort is made to identify all visible above ground features. It should be apparent that there may be items obscured at the time that the survey was undertaken.
