Hi Vasugi,

hope this email finds you well. I have got some more information for you:

- 1= Please find block plan attached. It shows the proposed fence (and a gate). Its 1:200 scale.
- 2= Not sure re: elevation plans? its going to be 8 foot posts. They will need to be 2 foot in the ground, so 6 foot high. they will look like the attached picture called "fence_gravelboard and post.PNG"
- 3= A gate will be 90cm. Total length of Fence 1690cm
- 4 = as per 1

Please let me know should you require anything further,

Thanks,
Jaime
