Good Afternoon Vasugi,

I hope that you are well,

I'm writing to follow up on the letter as per your previous email and to gather some clarity on what is required.

For the site works that we are proposing for the landscaping at Boyd Court, there are no areas where advertising will be present.

There are 2 elements of signage that we have proposed within our site boundary which includes wayfinding and also the information boards purely for the spaces that they are located within, for example the play space, these are not proposed for advertisements.

Please can you confirm whether the information that is within our current planning application is suitable for this, as we are happy to produce additional information to discharge a condition at a later stage in relation to this item.

We look forward to hearing from you,

Kind regards,
