Re: Tree Works Application for – 40 Horatio Avenue Warfield Bracknell

Thank you for your recent application for tree works, which the Council received on 1st January 2024.

Unfortunately we can not accept this as a valid application as there is insufficient detail on your application. Please see below the points that require further detail.

- 0 Selective Crown Reduction - The location of that part of the crown should be described and the amount of the reduction proposed should be stated in terms of the intended remaining length of the limb/branch after pruning or by the proposed distance between any structure and the end of the pruned branch.

Could I please ask that you provide the details requested by e-mail to trees@bracknell-forest.gov.uk by **22nd January 2024**. Unfortunately, if I do not receive this information, I will have to return your application to you.

Yours sincerely
