To whom it may concern,

Please accept this as notice and be advised that we will be removing an Ash tree (T1) as two split stems have already failed due to a rotten root ball, a Conifer tree (T2) that is damaged and leaning, and cutting back a dead fallen tree (T3) at 63 Holden Road, N12 7DG.

Please accept this as your five day notice. These trees will be removed on 31st January 2024.

I have attached a number of pictures for your information and records.

The trees are damaged and will not only put passers-by at risk, but will no doubt fall and cause damage to the surrounding properties.

This tree in our professional opinion is a dangerous standing structure and must be removed.

Please don't hesitate to get in touch should you or any of the Tree offices at Barnet Council.

If you have any further questions or concerns in regard to the works, I can be reached anytime on 0208 292 8992.

We look forward to hearing back from you soon.

Kind regards,

Maddy Formby
