

PLANNING HERITAGE STATEMENT FOR

87 HIGH STREET SHANKLIN

Location

The property falls within the Conservation Area of the Old Village and is located opposite the Car Park.

The Building is within a Terrace of Shops with Flats over

The proposal is to renew the shop front with minor alterations. It is proposed to fit new aluminium window and doors with a white finish to be inkeeping and match the existing shop front.

The Bay window and side window to the flat above will also be renewed due to the condition of the structure.

The new shopfront design will match the existing to blend in with its surroundings.

A combination of the above proposal will result in the new shopfront being in tune with its surroundings.
