Re: Rear Boundary Fence

Dear Sir/Madam

Please find enclosed Photographs for my Planning Application, these follow on from those submitted on the Planning Application as there was not enough data allowance on the form for these. I have enclosed a list of these Photographs and a description of each one.

Kind regards

<b><u>No.</u></b>	<b><u>Description</u></b>
1.	View looking from rear fence towards patio and house.
2.	View showing drop in level from patio to rear fence/trellis.
3.	View showing drop in level from patio towards rear fence.
4.	View continuing on from No.3.
5.	View continuing on from No.4.
6.	Showing patio level, marked with chalk on concrete fence Post by rear gate (chalk mark is showing about 200mm above gate night latch).
7.	Showing measurement from rear fence ground level to chalk Mark on concrete fence post (level of patio as in No.6).
8.	Showing rear fence/trellis construction (right-hand side).
9.	Showing rear left-hand fence trellis also left-hand side fence.
10.	Showing side fence (as you can see it is lower than my Neighbour's fence, that is showing beyond the top of my fence).
11.	View showing conifer trees that were there since 1991 and taken out because of disease etc., when I erected the new rear fence/trellis.
