To extend and re-design the car park at the front of the Hospice in order to create an additional nine car parking places, of which five need to be accessible parking bays that meet the needs of people with disabilities. We are seeing an increasing number of people using our Day Services and an increase in the number of these who use their own transport to access our service and require accessible parking bays. In order to respond to this growing demand we need to both increase the total number of car parking spaces available and slightly increase the number of accessible bays. Site Clearance Removal of 2 Trees, and a section of the lawn area. Excavation Tarmac coverage Provision of kerbing, footpaths and paved areas Provision of traffic signage and road markings (including burning off existing thermoplastic road markings and the installation of new as per drawing). OFFICER ASSESSMENT AND NEXT STEPS Having regard to the above, further arboricultural information, landscaping/replacement tree planting, and justification regarding the need for the additional car parking spaces would be required as part of a formal planning application. I trust this advice is of assistance to you. Please note that whilst this Council strives to provide pre-application advice which is to a high standard. In the event of an application being received, the advice contained within this letter is based on the information made available at this time and cannot prejudice any future decision made by the Council's Planning Committee or Officers under delegated powers. In particular further issues may of course be raised as part of the consultation process carried out in relation to any application and furthermore the advice contained in this letter may become outdated as a result of a changing planning policy context. **Authority Employee/Member** With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
