Thank you again for your email.

Please see enclosed information as requested.

The crown lift heights for the four Oak trees at Handford Cottage, Handford Lane are as follows:

T1: 5.5m above the highway and 2.5 above pedestrian pavement.

T2: 5.5m above the highway and 2.5 above pedestrian pavement.

T3: 5.5m above the highway and 2.5 above pedestrian pavement.

T4: 5.5m above the highway and 2.5 above pedestrian pavement.

I trust this information is sufficient.

Best regards,

John Wust | Managing Director

Good afternoon

The crown lift needs to be specified in metres above the footpath and highway. There are guidelines that apply but a measurable distance should be quoted.

Please reply to this email with the distances for each tree and I will be able to validate the application.

Regards  
Ian

Hi,

Thank you for your email, I have included the quotation from a tree specialist does this not provide the information required?
