

Tithe Cottage Forest Road Effingham KT24 5HE

Erection of a 4 bedroom residential dwelling following demolition of existing dwelling house

Brick choices

Wienerberger Terca Stock Facing Brick 65mm Kassandra Multi Red Rusticated

Stone cills

Roof tiles

Dreadnought Plum red

In the late 19th and early 20th century, deep red smoothfaced machine made plain clay roof tiles were particularly popular on dominant buildings and churches.

Most current red plain clay roof tiles tend to be more pink in appearance than tiles produced a century ago. However, the Dreadnought Plum Red Smoothface traditional single camber clay tiles provide a colour and finish indistinguishable from the traditional tiles of old.

Front door and external joinery –
