PROPOSED FRONT ELEVATION

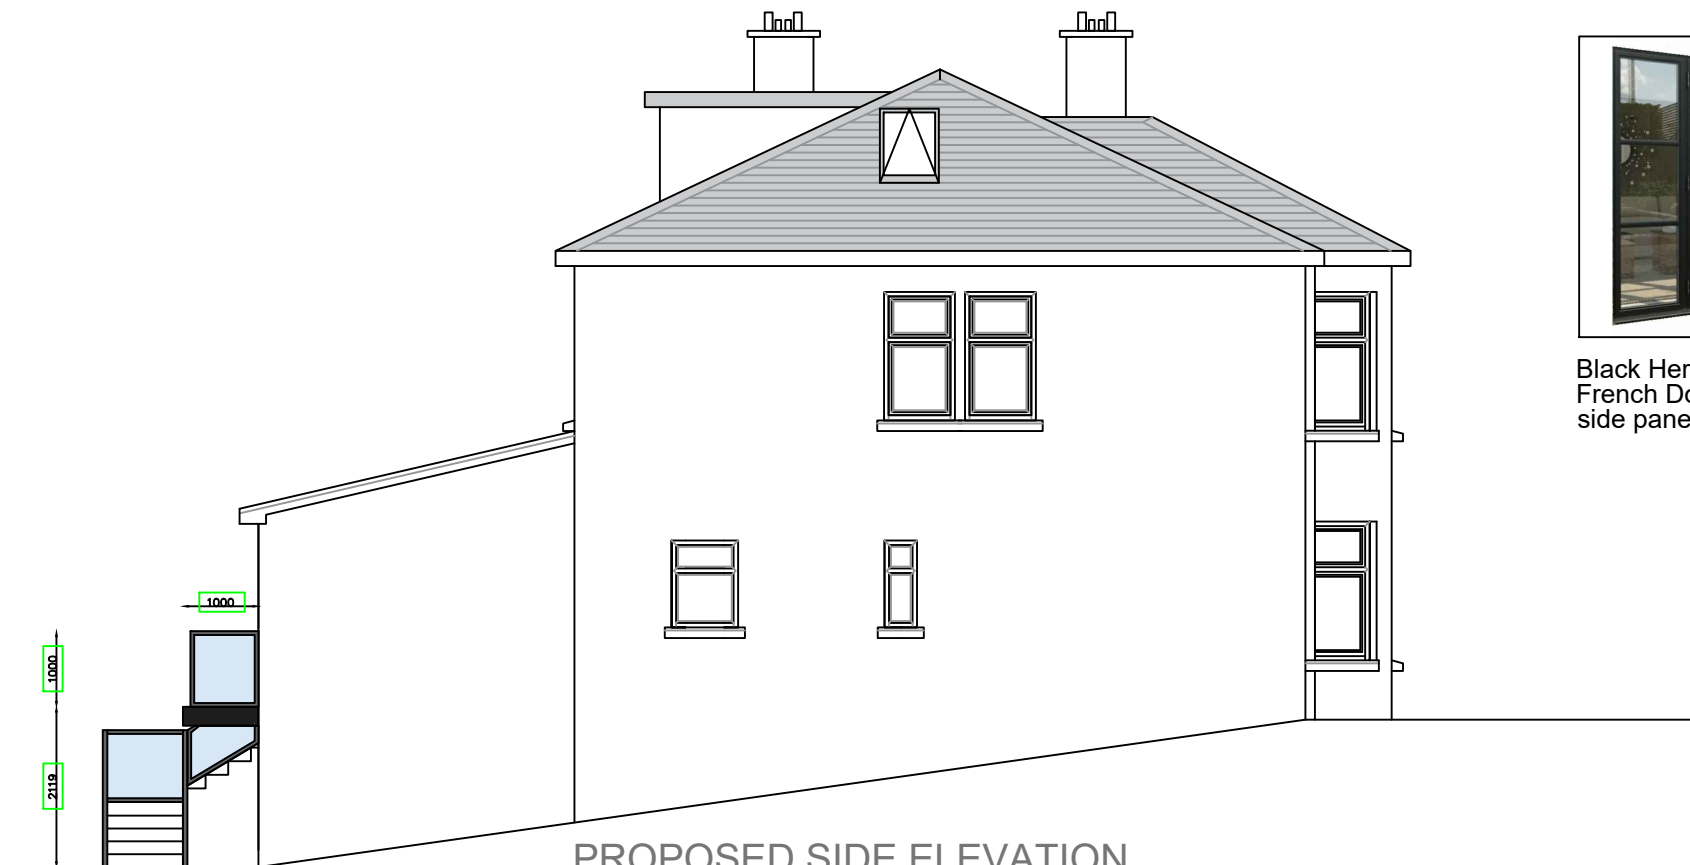

PROPOSED REAR ELEVATION

Client's Inspiration:  
 This picture has been used at the design stages to emphasize the clients vision for their space.  
 This would be the point of view from the kitchen area

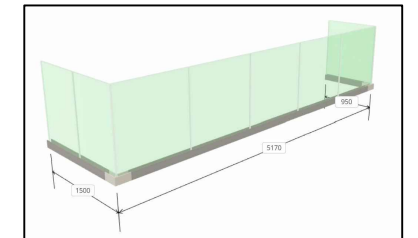

EXAMPLE:  
 This is an example of the glazed balustrade tying in beautifully with the composite deck.

PROPOSED SIDE ELEVATION

Black Heritage Aluminum French Doors with matching side panel glazing

Toughened glass balustrades on new decking/balcony area.
