SURVEY DRAWING BY EDI

The survey information shown on this drawing was prepared by EDI Surveys Ltd and DC cannot accept any liability for the accuracy of that information. All details to be checked on site before commencement of any works.

NOTES

The Contractor is to check and verify all building and site dimensions, levels and sewer levels levels of connection points before work starts. This drawing must be read with and checked against any structure or other specialist drawings provided.

The Contractor is to comply in all respects with the current Building Regulations whether or not specifically stated on these drawings.

The drawings do not intend to show details of foundation or ground conditions. Each area of ground used to support the structure depicted must be investigated by the Contractor and suitable methods of foundation be provided.

This drawing is to be read in conjunction with all other standard Mitchells & Butlers specifications and documents.
