NOTES

Appeals to the Secretary of State

If the applicant is aggrieved by the decision of the local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then they may appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990. If you want to appeal, then you must do so within 6 months of the date of this notice (or 12 weeks from the date of this notice in the case of householder appeals made in relation to applications submitted on or after 6 April 2009). Appeals must be made to the Planning Inspectorate using a form which can be obtained from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at <http://www.planningportal.co.uk> . A copy of the completed appeal form must also be submitted to the Council.

Please Note:-If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.

Further details are on [GOV.UK](http://www.gov.uk).

(<https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries>).

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices

If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on Cornwall Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice.

If this approval is for the erection of new buildings please refer to the note below.

Registering addresses for new properties prior to commencement

You must apply officially to register the name of any new street or the address of any new property through Cornwall Council's Street Naming and Numbering process. You are required to submit an application form, plan and appropriate fee all details of which can be found on our website at <http://www.cornwall.gov.uk/streetnaming>. Developers are advised to contact Street Naming and Numbering at the earliest opportunity for street naming as the process involves consultation with the local Parish, Town or City Council and can take several months to complete. For any further assistance please contact addressmanagement@cornwall.gov.uk or telephone 0300 1234 100.

Dear Sir/Madam

**Retrospective: Change of Use to Hot Food Takeaway
Yummy Scrummy Bakery 22B Eastcliffe Road Par Cornwall**

With reference to this planning application, I enclose the Decision Notice granting permission.

If conditions have been included that must be complied with before the commencement of the development, e.g. "No development shall commence before ...", and this is not done, the development cannot be validly commenced even if it is within the time limit set by Condition.

If details are required I look forward to receiving them. Application forms can be found on <http://planningportal.co.uk/>. Your attention is drawn to the fees to discharge planning conditions under The Town and Country Planning (Fees for Applications, Deemed Applications, Requests and Site Visits) (England) Regulations 2012:

£116 (per request) for applications not falling within fee categories 6 or 7 (non-householder applications)

£34 (per request) where the request relates to an application for works to an existing dwelling, or within the curtilage of such, falling within fee categories 6 or 7 (householder applications only)

You may wish to take the opportunity to submit details to discharge more than one condition per request.

Yours faithfully

Tracy Young
