It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the local planning authority.

With Thames Water's agreement, the drainage layout and its link into the mains drains for 1 Wildes Cottages was amended during a kitchen extension in 2022. - The Build Over Agreement was received in June 2022. During the ground works of this extension, a mains pipe was laid, under the kitchen extension (it is currently closed off) but which will allow the building, that will eventually replace the garage, to be linked directly to the mains drains.
