ALTERATION OF ROOF

22 GAILES ROAD
TROON KA10 6TA

STATEMENT

The owners require to increase the accommodation of the house, mainly to include a bathroom at first floor level and a multi-use room, as well as extending the usable floor space of both existing bedrooms.

It is proposed to include the additional volume in two dormers, as large box dormers are an existing feature in the area.

Please see below some of the examples in the same street and close to the house.
