Product description

Specifications:

An easy to assemble bicycle cabin is your solution of keeping muddy bike away from the inside of your house and getting them a home. The storage cabin is made of hot dipped galvanised steel with an anti-rusting and anti-corrosion finish in black. Two doors and a pent roof maximise your accessibility to the cabin. Its robust framework enables the cabin to stand still in inclement weather. By adding a pad lock to the lockable door bolt, you can assure the security of your properties. Note: the cabin can also store either equipment or tools. Material: Hot dipped galvanised steel
Doors: 2
