Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The plan aims to enhance the current arrangement at 67 Romsey Road, incorporating a compact rear extension measuring 800mm in depth to enhance the overall layout and living standards. Noteworthy is that this extension maintains the unaltered front elevation facing Romsey Road and minimally impacts the appearance of the rear elevation, ensuring no compromise to neighbours' rights to light and privacy. Furthermore, the extension adheres to the specified size limits outlined in local planning regulations, rendering it suitable for permitted development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
