

Portland Mews : Proposed Materials

Please refer to the proposed elevation drawings to show where the materials will be used.

External Walls : Main Elevation

Karma White Stock brick by The Bespoke Brick Co. (example previous project below) with Tarmac Y101 white mortar

Windows :

Velfac timber / aluminium composite windows.

External Colour : White

Please note that this image is intended to show the Velfac window system and not the finished colour. All windows to be finished externally in white

Portland Mews : Proposed Materials

Roof :

Weinerberger light grey slate by Weinerberger to match existing Elizabeth Cottage.

Front Doors :

Solid timber front doors with side light by Bereco finished in "light pine".

Side light frame to be in the same timber as front door and not painted
