DC/24/00370/TREE

31st January 2024

Dear Mr Verghese,

Town and Country Planning Act 1990, Section 211 - Notification of Intention to carry out work to trees within a Conservation Area at 24 The Covert Petts Wood Orpington BR6 0BU

Thank you for your application received on 29th January 2024 in which you notified this Council of your intention to carry out the following works:

Tree (of unknown species) in rear garden - Remove.

at the above address which is situated in the Conservation Area.

This Council now has six weeks to consider the intended works and determine whether it would be appropriate to make a Tree Preservation Order for the trees which are to be subject to the proposed works.

The six weeks will expire at the end of 11th March 2024. The purpose of the six weeks is to allow time for this Council to fully consider all aspects of the work proposed. It also allows the opportunity for any interested persons to make representations to this Council in connection with the proposed works. The Council will take any comments received into account when determining whether to make a Tree Preservation Order.

Please note that if I consider it necessary for a site notice to be displayed, this will be issued to you in due course.

Yours sincerely,

Paul Smith
Tree Officer
