Comment Details

Commenter Type: Neighbour response

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment:As the adjoining neighbour, and after reading the planning application my wife and I support the change of use to a short term let, with applicants vetted through a letting agent and rubbish and recycling put out and emptied on the appropriate day.

On a side note, please can we point out that the gutter is leaking at the joint at the front of the house at the Left side of the front window.

This has been mentioned to the previous owner but has not been rectified, and may cause you a damp issue in the future.
