NOTIFICATION OF DECISION

**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990 (AS AMENDED)
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) REGULATIONS 1990 (AS
AMENDED)**

Application Type: Listed Building Consent **Application No:** 2023/1507/LBC

Location of Development: The Kennels Tinings Lane Evercreech Shepton Mallet Somerset

Description of Proposal: Repairs to roof and walls following 2022 tree fall

Application submitted by: J Keen

Somerset Council, hereby **GRANT** the application described above subject to the following:

Condition(s)

1. **Standard Time Limit - Listed Building Consent (Compliance)**

The works hereby approved shall be begun before the expiration of three years from the date of this consent.

Reason: To comply with Section 18 of the Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended).

2. **Plans List (Compliance)**

This decision relates to the following drawings and documents:

1904 S 03 Site and Location Plans - as existing & as proposed
- received 7th August 23

1904 S 01A Plans as Existing
1904 S 02A Elevations as Existing
1904 P 01A Plans as Proposed
1904 P 02A Elevations as Proposed
STRUCTURAL SKETCHES & CALCULATIONS
1904 Rev A Heritage Statement
- received 26th September 2023

Reason: To define the terms and extent of the permission.

3. **Joinery Details - Submission of Details (Bespoke Trigger)**

No piece of internal or external joinery shall be installed or undertaken unless full details of that piece have been first submitted to and approved in writing by the Local Planning Authority. Such details shall be at full or half scale and shall include cross-sections, profiles, reveal, surrounds, materials, finish and colour. The works shall thereafter be carried out in accordance with the approved details.

Reason: In the interests of the significance of the designated heritage asset in accordance with Policy DP3 of the Mendip District Local Plan Part 1: Strategy & Policies 2006-2029 (adopted 2014).

4. **Protection of Trees and Hedgerows (Pre-commencement)**

All boundary hedgerows and trees shall be protected from mechanical damage, pollution incidents and compaction of roots in accordance with BS5837:2012 during site clearance works, groundworks and construction and to ensure materials are not stored at the base of trees, hedgerows and other sensitive habitats. Photographs of the measures shall be submitted to the Local Planning Authority prior to the commencement of any vegetative clearance or groundworks. The measures shall be maintained throughout the construction period.

Reason: A pre-commencement condition in the interests of European and UK protected species and biodiversity generally and in accordance with Development Policy DP5 of the Mendip District Local Plan Part 1: Strategy & Policies 2006-2029 (Adopted 2014).

5. **Nesting Bird Protection (Bespoke Trigger)**

No works to, or of demolition of, buildings or structures shall commence in any circumstance between 1st March and 30th September inclusive unless a competent ecologist has undertaken a careful, detailed check for active birds' nests immediately before the works commence and provided written confirmation that no birds will be harmed and/or that there are appropriate measures in place to protect nesting bird interest on site. Any such written confirmation should be submitted to the Local Planning Authority accompanied by dated photos showing the site before and after clearance. In no circumstances should netting be used to exclude nesting birds.

Reason: In the interests of European and UK protected species and biodiversity generally and in accordance with Development Policy DP5 of the Mendip District Local Plan Part 1: Strategy & Policies 2006-2029 (Adopted 2014).

6. **External Lighting (Bespoke Trigger)**

No external lighting shall be erected or provided on the site until a "lighting design for bats" has been submitted to and approved in writing by the Local Planning Authority. The design shall show how and where external lighting will be installed (including through the provision of technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory or having access to their resting places, and will not cause harmful light pollution in the countryside. All external lighting shall thereafter be installed in accordance with the specifications and locations set out in the design, and these shall be maintained thereafter in accordance with the design.

Reason: In the interests of the Favourable Conservation Status of populations of European protected species and protecting the character and appearance of the countryside in accordance with Development Policies 1, 4, 5, 6, 7, 8 and 22 of the Mendip District Local Plan Part 1: Strategy & Policies 2006-2029 (Adopted 2014).

Informative(s):

1. **Condition Categories**

Your attention is drawn to the conditions in the above permission. The heading of each condition gives an indication of the type of condition and what is required by it. There are 4 broad categories:

Compliance - The condition specifies matters with which you must comply. These conditions do not require the submission of additional details and do not need to be discharged.

Pre-commencement - The condition requires the submission and approval of further information, drawings or details before any work begins on the approved development. The condition will list any specific works which are exempted from this restriction, e.g. ground investigations, remediation works, etc.

Pre-occupation - The condition requires the submission and approval of further information, drawings or details before occupation of all or part of the approved development.

Bespoke Trigger - The condition contains a bespoke trigger which requires the submission and approval of further information, drawings or details before a specific action occurs. Please note all conditions should be read fully as these headings are intended as a guide only.

Failure to comply with these conditions may render the development unauthorised and liable to enforcement action.

Where approval of further information is required you will need to submit a conditions application and pay the relevant fee, which is 116GBP per request or 34GBP where it relates to a householder application. The request must be made in writing or using the Standard Application form (available on the council's website www.somerset.gov.uk). For clarification, the fee relates to each request for the discharge of conditions and not to each condition itself. There is no fee for the discharge of conditions on a Listed Building Consent, planning permission for relevant demolition in a Conservation Area or Advertisement Consent, although if the request concerns conditions relating to both a planning permission and Listed Building Consent then a fee will be required.

2. The responsibility for ensuring compliance with the terms of this approval rests with the persons responsible for carrying out the development. The Local Planning Authority uses various means to monitor implementation to ensure that the scheme is built or carried out in strict accordance with the terms of the permission. Failure to adhere to the approved details will render the development unauthorised and vulnerable to enforcement action.
3. In determining this application, the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Policy Framework by working in a positive, creative and proactive way.
4. The planning authority is required to erect a site notice on or near the site to advertise development proposals which are submitted. Thank you for erecting this on our behalf. Please would you ensure that any remaining notices in respect of this decision are immediately removed from the site and suitably disposed of? Your cooperation in this matter is appreciated.
5. **Legal Protection Afforded to Bats and Bat Roosts**

The developers and their contractors are reminded of the legal protection afforded to bats and bat roosts under legislation including the Conservation Habitats and Species Regulations 2017 (and as amended by the Conservation of Habitats and Species (Amendment) (EU Exit) Regulations 2019). In the unlikely event that bats are encountered during implementation of this permission it is recommended that works stop, and advice is sought from a suitably qualified, licensed, and experienced ecologist at the earliest possible opportunity.

6. **Legal Protection Afforded to Badgers**

The developers are reminded of the legal protection afforded to badgers and their resting places under the Protection of Badgers Act 1992 (as amended). It is advised that during construction, excavations, or large pipes (>200mm diameter) must be covered at night. Any open excavations will need a means of escape, for example a plank or sloped end, to allow any animals to escape. In the event that badgers, or signs of badgers are unexpectedly encountered during the implementation of this permission it is recommended that works stop until advice is sought from a suitably qualified and experienced ecologist at the earliest opportunity.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990 and/or Section 32 of The Planning (Listed Building and Conservation Area) Act 1990.

Compensation

- In certain circumstances compensation may be claimed from the Local Planning Authority if permission or consent is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to them.
- These circumstances are set out in Section 114 and related provisions of the Town and Country Planning Act 1990, Section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990 and, in respect of Tree Preservation Orders, Section 203 of The Town and Country Planning Act 1990.

Notes in Respect of All Applications

- Although Planning Permission or Advertisement Consent may have been granted, should the proposed work involve the demolition, alteration or extension of a Listed Building, Listed Building Consent may also be required before the work can commence.
- If Planning Permission has been granted for the development, should this involve any work within the highway such as the construction of a vehicular access, the consent of the Somerset Council, as Highway Authority should also be obtained - [Roads, travel and parking \(somerset.gov.uk\)](#)
- This permission does not authorise you to stop up or divert a public right of way to enable the development permitted to be carried out. Separate legal steps are necessary for this and further information can be obtained from: [Public Rights of Way \(somerset.gov.uk\)](#)
- If planning permission has been granted for development involving the creation of one or more properties needing new addresses you will need to contact the Street Naming and Numbering department of Somerset Council, for assignment of the official address/es. Details are available at [Street naming and numbering \(somerset.gov.uk\)](#)
