33 Rydens Way, Woking Householder Planning Application

Dear Sir/Madam,

Please see attached householder planning application for the above property.

The proposal is for a single storey part rear extension, garage conversion and roof alterations.

We have based the design on local planning policies and guidelines.

We have considered the impact on surrounding properties and are confident that that there is no detrimental impact on the residential amenities of any.

This application follows the previously granted application, number PLAN/2023/0602.

It would be appreciated if the case officer would contact the undersigned regarding any concerns with the application.

Many thanks,

Yours sincerely,

Andy Placito
