

## **TREE STATEMENT**

**Knole, Kitwalls Lane, Milford on Sea, SO41 0RJ**

The trees on site are shown on drawing CKL 01. None are within falling distance of either the existing dwelling or proposed extension.

The existing dwelling is some 30 metres distant from trees. The proposed extension works being in excess of 36 metres. All works associated with the proposal, access, site storage/ compounds and service routes will accordingly be a similar distance from trees and therefore it is considered do not present a risk to any trees.
