------------------------------	----------------------	---	--	--	-----------------------------	------------------------------------

Single storey rear extension.

- Only half the area of land around the "original house" can be covered by extensions or other buildings.
- Extensions cannot be higher than the highest part of the existing roof; or higher at the eaves than the existing eaves.
- Where the extension comes within two metres of the boundary* the height at the eaves cannot exceed three metres.
- Extension cannot be built forward of the 'principal elevation' or, where it fronts a highway, the 'side elevation'.
- The materials used in any exterior work must be of a similar appearance to those on the exterior of the existing house.
