Sandra Chapman
Technical Officer
Planning Department,
Bracknell Forest Council

Your reference: 24/00020/LB ADDINF

Dear Sandra,

I hope that this finds you well. I am sorry that you have had trouble downloading the files that I e mailed to you. I am a bit of a technophobe and cant work out how to get it to you by e mail and therefore have resorted to delivering it to you by hand!

I tried various ways of making a plan to show the beam locations. There are many of them and if you prefer for me to send photos rather than my little drawings, please let me know!

I hope that this may be all that you need to proceed with our LBC application. Please let me know if I can help with anything else.

Sincerely yours,

Julie Dyer
