Description of the Proposal
Please note in regard to:
 Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance. Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below. Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for
faster determination timeframes. See help for further details or <u>view government planning guidance on determination periods</u> .
Description
Please describe details of the proposed development or works including any change of use
The installation of 13 solar voltaic panels in a ground array to provide renewable electricity to The Kennels, Plaish, SY67HX. 2 x rows of 6 and 7 panels to be installed as a ground array with a south-west orientation within an existing small enclosure approximately 25m east of the dwelling.

The site will only be distantly visible from 1 other dwelling - 2 Kennels Cottages - a new hedge has been planted to obscure all visibility. Orientation of Solar Panels will maximum height above ground of 1.3m. Will not be visible from any public road. Located approximately 25m away from the building - so will not interfere in any way with building. Black framed solar panels with a steel pole support frame. 13 x 410Wp panels total output 5.33kWp.

There will be no hardstanding, surface water drainage will remain natural as present.
