Planning Application at 24, Kidderminster Road, Bridgnorth, WV15 6BX

Dear Sir / Madam,

The following points form part of the above planning application & it is requested they be considered fully:

Relevant Policies

National Planning Policy Framework:

- 2. Achieving sustainable development
- 5. Delivering a sufficient supply of homes
- 6. Building a strong, competitive economy
- 8. Promoting healthy and safe communities
- 9. Promoting sustainable transport
- 11. Making effective use of land
- 12. Achieving well-designed places
- 14. Meeting the challenge of climate change, flooding, and coastal change

Local:

Adopted Local Plan

Policies: SP3. Climate Change, SP4. Sustainable Development, SP7. Managing Housing Development

Summary

1). Visual Impact & Screening of the site The proposed changes are to the rear & side elevation of the property. The proposals will be visible from the public road, please see accompanying drawing 0314 (A) GA 003 - Site Plan. The proposed extension will be constructed from through coloured rendered block walls with insulated cavities. The existing site has a reasonably flat level, as shown on drawing 0314 (A) GA 001 - Location

Plan, it is not expected that the levels of the site will need to change to allow construction. There are no new windows on elevations that face other properties, so neighbouring properties privacy will not be affected.

2). Foul & Surface Water Drainage The proposals will feed into the existing sewage & surface water drains. It is not anticipated that the proposal will increase the volume of other foul waste or rainwater runoff.

3). Highways considerations The proposals will not affect the affect the volume of traffic on the adjacent roads infrastructure.

4). Sustainability The materials chosen for the construction are to be energy efficient using insulation to extension walls & utilising high efficiency double glazed doors & windows, so as to have as low an environmental impact as possible.

5). Amenity The proposal is to allow extra internal social space & to serve as a warmer more energy efficient home for the applicant & family.

I trust this planning letter & the submitted drawings will furnish the required information. However should you need any further information, please feel free to get in touch.

Yours faithfully,

Barnaby Robinson
