### SCHEDULE

**Re: Tree Works At Above Address**

- Silver Birch**
  - Minor prune crown spread by up to 1 metre to maintain overall shaped/balanced crown and to appease both neighbours due to overhang of branches
  - Remove regenerated growth
  - Prune out dead wood

All ensuing debris removed leaving areas tidy on completion.

**The above may be covered by a Tree Preservation Order or Conservation Area Restrictions; as such Local Authority permission must be acquired by clients prior to issuing a works instruction.**

In the event of protected species and/or active nests being discovered whilst carrying out the above works, the operation will be suspended until all the ensuing relevant statutory obligations have been met by this company.

All works carried out by NPTC qualified staff in accordance with BS3998 "Recommendations for Tree Works".

If I can be of any further assistance please do not hesitate to contact me.
