

SYLVIA BEAUFOY CENTRE, MIDHURST ROAD, PETWORTH

Landscape & Visual Impact Assessment

It is considered that no impact is likely to occur as the proposals fit in comfortably with the existing surroundings, the application site is situated adjacent to an established residential area of Petworth & does not have any detrimental effect on any surrounding properties.

The proposal does not have any impact on any existing trees or planting.

There are no Listed Buildings in the vicinity of the proposals & to the best of my knowledge there are no known habitats or important geology on the site.
