

Chris Tyler
Accounting

CT/JG/

29 November 2023

Please find attached the requested 10 year history of the sources of income before his death in 2022.

These sheets were used in the preparation of his Self Assessment Tax Returns and, as you can see, in those years there was no income from agriculture.

This information was compiled from my work with him since 2018 and uses the information provided to me by his previous accountant, 

Please get back to me if you need any further information.

Kind regards,

Yours sincerely
