

Consultee Comments for Planning Application

SDNP/24/00421/TCA

Application Summary

Application Number: SDNP/24/00421/TCA

Address: 1 Albion Villas Hill Brow Road Liss Hampshire GU33 7LA

Proposal: I would like to cut down/fell two large conifer trees (T1 and T2) in my garden which are blocking out a considerable amount of light and shedding needles onto the paved area. These trees are tall and block the sunlight from a large area of the garden. T1 is extremely close to the property boundary and is touching the structure of the neighbouring parish council offices (photographs provided). I would also like to reduce the crown of a third tree which I believe is a Viburnum (T3). The branches of T3 are overhanging a large area of the garden blocking the light from plant beds. Some of the branches of T3 are overhanging my property boundary and are either touching or very close to Liss Parish Hall which is next door to my property. I would like to cut back these branches and reduce the crown of T3. I have contacted three arborists to take a look at the work who have all advised on the works. I will select a company as soon as I have received notice from this planning portal, and select a reputable company based on price and availability.

Case Officer: Adele Poulton

Name: Mr Roger Mullenger

Address: Woodbine Cottage, Hawkley Road, Liss, Hampshire GU33 6JP

Email: Not Available

On Behalf Of: EH - Cllr Roger Mullenger, Liss

Comments

Comments:

The trees are on the east and north sides of the garden so shading of sunlight will be limited.

Multi-stemmed Cypresses:

I am not sure that reducing shading of a garden and dropping of foliage is a justification for complete removal. One stem is partly overhanging the council office.

Viburnum?

This has a good shape, and I assume that judicious pruning could maintain it as a good specimen.
