Details of the pre-application advice received

No advice was received as the application was rejected on 19th January by an unknown officer. Mr Hargreaves took over the submission at the end of March and explained and apologised for communications mix ups on the council side. To save time I opted for the household planning application and have employed an architect and surveyor to meet the relevant application requirements.

It would (have been) be appreciated if the council had expedited this application. It did not. There was no meaningful communication from Boldy after 29th August 2023.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- Yes
- No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
