Dear Stevie,

**24/00143/HOUSE, Hunters Lodge Toys Hill Brasted**

I refer to your email of 05.02.24. In response, please find accompanying this letter updated drawing PL001 (Possible development with existing PD rights), and PL002 (Proposed block plan under this application).

As the note on the drawings sets out, the access and driveway were granted permission under reference 21/01853, and therefore these operations do not form part of this application.

I would be grateful if you would confirm receipt and that the application has been passed to a case officer for determination.

Yours sincerely,
