Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The access directly adjoins our property and is very restricted and not suitable for more vehicles. The area in front of the garage is a shared piece of land and is frequently used for parking, it is not owned by 24 High Street and is constantly in use by others. More vehicles over our current access from the High Street will further damage the surface and the utilities running underneath.
