30/12/23			The Carport is in keeping with the shed behind it & does not obscure or detract from the views & aesthetics of the conservation area.
30/12/23			I agree with the above comments. It is very fitting as well as practical. - No objection whatsoever - well built.

9/1/24			Great improvement since the last time I visited. Will look great once the plants are in & growing.
10/1/24			no objection
11/1/24			We like the carport, it's well made and looks good - it is in keeping with the area.
