"So yes, once the application is made valid, the yellow site notices will be 3 weeks from the Tuesday after the application is made valid (so if you managed to get an application in last Thursday, the notices will have a date of the 13th Feb on it). If nothing else is required by the case officer, and no comments made by the public, it could theoretically be determined as soon as the day after the publicity ends. The application will have a standard 8 week deadline from day of validation that officers should get the application done by".
