Good Afternoon

Thank you for your application.

On the application form, it is stated that Apple tree 1 is to be reduced by 30%, Apple tree 2 by 20%, and the Magnolia tree 20%. Please could you provide an approximate measurement in feet or metres as to the amount each crown is to be reduced by (alternatively, this can be illustrated on photographs with a line depicting where the crown is to be reduced to).

Please could you provide the above information via email at your earliest convenience as I am unable to proceed with the validation of your application without it.

Kind regards

Oliver Robson
