Site: Land South of Tawney Cottage

Date: February 2024

Tree / Group No.	Tag Number	Species	BS Category	Life Stage	Recommended works
T10		Poplar	B	Mature	Fell to ground level

NOTE:  
 All tree works should comply with BS 3998 (2010) - Recommendations. If necessary, appropriate checks by a suitably qualified ecologist should be made before tree works are undertaken, and all works should only be carried out once planning permission has been granted and any pre-commencement planning conditions relating to tree work have been discharged. Where feasible and there is no risk of spreading diseases or pathogens, consider re-using timber from felled trees on site for creation of ecological habitat piles, furniture or woodchips for landscaping works.
