Dear Mr Farrell,

Our Reference: 24/0139/TTCA
Your Reference: Trees @ The Nook
Site address: The Nook South Street Litlington Cambridgeshire SG8 0QR
Proposal: No 1 - Walnut tree dangerously leaning towards the oil tank, bearing in mine the increasing strong winds we are seeking permission to reduce the weight by removing the overhanging branches. The trunk of the Walnut tree is 325cm from the oil tank and is 30cm from the log store / tree house. No 2 - Old apple tree 100cm from the cottage, bearing in mind the the higher temperatures and the risk of subsidence we are seeking permission to remove the apple tree. The trunk of the Apple tree is 340cm from the boundary fence and 470cm form the house next door, "Calagone"

This is to remind you that we are awaiting a response to our letter sent to you on 29/01/2024. At present we are still unable to register the above application for the following reasons:

- The tree location plan is illegible, a separate email has been sent with a plan attached for you to annotate and return. In addition your proposal does not appear to clearly identify or specify all the tree works, the following link will assist you in providing clear information, however in respect of the Walnut tree, we will require the extent of the reduction to be stated in metres. https://www.scambs.gov.uk/planning/natural-historic-and-built-environment/natural-environment/trees-hedgerows/invalid-tree-work-notifications-and-applications/#A7 https://www.scambs.gov.uk/planning/natural-historic-and-built-environment/natural-environment/trees-hedgerows/invalid-tree-work-notifications-and-applications/#A5

Your application will not be registered or formally acknowledged until receipt of the above. We regret that this will inevitably delay determination of this application. If the above has not been received by the **22/02/2024** the application and supporting documents will be cancelled/returned to you and any fee paid refunded.

Yours sincerely
Application Support
