## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- Yes  
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

We wish to extend our kitchen and utility room of the gable end of the house detailed on the location plan. All dimensions are on the plan and should work out to the size allowed in our permitted development rights. A standard construction extension with a flat roof.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes  
 No

Has the proposal been started?

- Yes  
 No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

the land being used is currently just garden off our gable end and the proposed plan goes near where near a neighbour's boundary so we feel it falls within permitted development.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We worked with our architects, SMG Muttons of Sheringham, ensuring we maximised our permitted development and kept all plans within that remit. There are no trees or other factors being impacted with our plans and all guidelines on PD have been followed by the contractors so far.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

## Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

 No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No
