ACKNOWLEDGEMENT OF RECEIPT OF AN APPLICATION

Dear Sir/Madam

Application for consent to carry out work to protected trees

At: 255 Broad Lane, Bramley, Leeds

For: G1 x1 Sycamore - Tree surgeon recommends a 30% reduction - no height reduction, 2 meter width reduction in all aspects.

Reason: is that it covers my whole back garden and is starting to come over the top of my house. I'm not concerned that the tree is going to fall over at the moment however it is only growing towards my house and has no crown at the other side so maybe an issue down the line.

We acknowledge receipt of your application to carry out work to protected trees received on 2 February 2024. Your proposal will be considered by officers in the Tree Team and they will aim to respond within eight weeks of 2 February 2024.

If you have not received a written response within eight weeks of 2 February 2024 you may appeal to the Secretary of State on a form you can obtain from the website <http://www.gov.uk/appeal-decision-about-tree-order/when-you-can-appeal> or by emailing environment.appeals@pins.gsi.gov.uk or writing to The Environment Appeals Team, Trees and Hedges, Room 3/25, Hawk Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN.

You do not have to appeal after this date as the Council will continue to consider your application and issue its decision as soon as possible and you may choose to wait. You should be aware that appealing will prevent the City Council from making a decision on your application and could lengthen the process considerably.

Once the Council has notified you of its decision, you can appeal against this if you are aggrieved by it or by any conditions attached to it.

We will be making details of your application available on our website on Public Access, and you can use this to monitor progress of your application at www.leeds.gov.uk/publicaccess. Should you need to contact us, please email landscape.planning@leeds.gov.uk quoting Application Number 24/00596/TR.

Yours faithfully
