

CONDITION 3 DISCHARGE APPLICATION DRAWING

Condition 4 of 2023/0382/FUL

Prior to the commencement of any work on the site, photographic evidence of the route to be used by construction vehicles along the Byway E117 shall be submitted to and agreed in writing by the Local Planning Authority. The route shall then be inspected again, after completion of the development, and any damage to the highway resulting from traffic movements generated by the application site should be repaired to an acceptable standard and at no cost to the Highway Authority.

Reason: In the interests of preserving and maintaining the condition of the Byway.

The Pictures shown on the drawing indicate the condition of Mill Lane in February 2023

NOTES

Do NOT scale from this drawing or any other prepared by JDA in connection with this project
 This drawing is copyright and may not be altered, traced, copied, photographed or used for any purpose other than for which it has been issued without written permission of the copyright holder.
 The Contractor is to check all dimensions on site and report any discrepancies PRIOR TO commencing work.
 All details shown on this drawing are based upon typical site conditions related to the area. No responsibility can be accepted for abnormal conditions unless they have been reported in detail so that design amendments may be considered.
 All works and materials are to be in full accordance with current British Standards, Building Regulations, Agreement Certificates and Manufacturers printed instructions.
 All Building Regulations inspections are to be carried out at the appropriate stages of work.
