

**Re 10 White Horse Road, East Bergholt CO7 6TU  
(Planning ref B/13/01280/FUL)**

I enclose details of further Non Material amendments – Changes to fenestration, and reduction in size of 1<sup>st</sup> floor rear extension. Plans for all elevations, ground floor & first floor plans. The Non Material Amendment fee to be paid on line once I have planning reference.

1. Front (North) Elevation

- Two Velux windows repositioned. Both smaller size - MK04 (78cm wide x 98cm high), triple glazed and fitted with external shutters in keeping with Dark Skies policy.

2. Rear (South) Elevation

-Rear 1<sup>st</sup> floor extension over stairwell modified. Net result is reduction in size from 2.35m long x 4.2m wide to 3.90m long x 2.20m wide. (total area reduced by 1m squared). As before, natural slate pitched roof, ridge height 6m, as existing cottage.

-One Velux windows (MK04) (78cm x 98cm) with external shutters in rear facing roof on 1<sup>st</sup> floor.

-Rear ground floor extension remains the same dimensions with 45 degree pitch roof, and 5.4m ridge height. This roof also has natural slate roof tiles. Rear 3.6m wide sliding door replaced with smaller 'French doors' (1.8m wide x 2.2m high (Internorm doors with integral blind))

3. East Elevation

-The two Velux roof windows in pitched roof of single storey rear extension reduced in size to MK04 (78cm wide x 98cm high), triple glazed with electric external shutter).

4. West Elevation

-The two ground floor side windows (both 1.19m wide x 1.16m high) are replaced with a single 'French door' (1.8m wide x 2.2m high (Internorm doors with integral blind)) to enable direct access to the side passageway.

-Two Velux windows MK04 (78cm wide x 98cm high) over entrance to rear extension, similarly with external shutters.

Exterior wall paint colour to be 'Suffolk Pink' by Ecopro Silicate Masonry Paints.
