

4 Station road
Shireampton - Bristol

The extension is a single storey extension no more than 3 meters at the back of the existing house

The extension will be build with the finishing material to match the existing house:

- Render on the wall as per existing back of the house
- Slate tiles on the roof.

The extension will not be visible from any public roads or paths and is at the back of the property.

The extension is smaller than the two adjacent neighbours (number 6 and number 2).
