Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We have made a separate application [Planning Reference PP-12775624] to vary the design of the Annexe which will result in a reduced footprint and therefore a reduction in usable space. We propose that the existing dwelling, to which Condition 6 relates, will provide the additional ancillary space which is lost as a result of the reduced footprint of the Annexe. We make this application on the grounds of sustainability - it being preferable to repurpose the existing stone structure for workshop, storage, greenhouse, as the existing building sits within the garden space, rather than to extend the footprint of the Annexe. Drawing 1763/005F illustrates the footprint of the existing dwelling within the garden space of the development.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Removal of Condition 6.
