### **Homeowner Cover Letter for Annexe Build**

Named Homeowners on Deed:  
Mr Zeyar C. Nyunt & Mrs Tintin Nyunt

Address:  
286 Old Worting Road, Basingstoke, Hampshire, RG22 6PD

This letter is to advise that as the homeowners, we propose to build an annexe to create a living space for our adult daughter and young granddaughter to stay in, since they've recently moved back in with us.

We feel the main house does not have the sufficient space for them and in the interest of keeping the family within the same compound, in order to be able to recode support for each other, we would like to have this annexe built at the rear of the garden for them.

This annexe would be ancillary to the main dwelling and its purpose of use will be for our daughter and granddaughter to have their own space for leisure and accommodation, as well as having a quiet office space to work from home, where noise from the main house would not reach this space.

The space should have a bedroom each for them (2 bedrooms), 1 bathroom and an open plan living space and kitchen.

If any further information is required, please let us know.

Kind Regards

Mr Zeyar C. Nyunt & Mrs Tintin Nyunt
