DC/24/00518/TREE

9th February 2024

Dear Dr Thanigaikumar,

Town and Country Planning Act 1990, Section 211 - Notification of Intention to carry out work to trees within a Conservation Area at 42 Broadoaks Way Bromley BR2 0UB

Thank you for your application received on 8th February 2024 in which you notified this Council of your intention to carry out the following works:

- **T1 Ash in rear garden - Remove close to ground level and treat stump/removal.**
- **T2 Willow in rear garden - Remove deadwood.**
- **T3 Cypress in rear garden - Remove close to ground level and treat stump/removal.**

at the above address which is situated in the Broadoaks Conservation Area.

This Council now has six weeks to consider the intended works and determine whether it would be appropriate to make a Tree Preservation Order for the trees which are to be subject to the proposed works.

The six weeks will expire at the end of 21st March 2024. The purpose of the six weeks is to allow time for this Council to fully consider all aspects of the work proposed. It also allows the opportunity for any interested persons to make representations to this Council in connection with the proposed works. The Council will take any comments received into account when determining whether to make a Tree Preservation Order.

Please note that if I consider it necessary for a site notice to be displayed, this will be issued to you in due course.

Yours sincerely,

Christopher Ryder
Tree Team Manager
